In-Service Training is available to licensed foster parents in Jackson, Clay, Platte, Cass and Johnson Counties. Foster parents must contact their FDS/Resource Worker for approval prior to attending. The Children's Place will then be notified of who is approved. To enroll a foster parent in training, the Division worker should email Judy Brewster at brewsterj@tcpkc.org. Please provide the name and phone number of the family and the dates of the training they wish to attend.

Reminder phone calls will be made to participants one or two days prior to the training. Training will be cancelled due to low enrollment if there are less than 5 enrolled and planning to attend.

Reminders: Classes will begin on time, and foster parents arriving late may not be admitted. Please call the trainer to discuss any accommodations needed. Children should not be brought to trainings. Participants are welcome to bring a snack/beverage with them.
