

WEAR BLUE

TO PROMOTE CHILD ABUSE AWARENESS IN KANSAS CITY

APRIL 16, 2010

Local Kansas City individuals and organizations will band together on April 16 as a visible commitment to support child abuse prevention month.

One person can make a difference, and it can start with you. **WEAR BLUE**, and consider inviting your friends, family or even your entire office to **WEAR BLUE**, too.

Visit PreventChildAbuseKC.org and click on Wear Blue Day, to add your name to the list of participants in Wear Blue Day 2010!

Learn more about services provided by several child and family agencies at **Kauffman Stadium** on April 10 — when the Royals will be giving out free jerseys.
